

# Important Information for Snowmobile's Entering Canada

## Canadian RABC Remote Area Border Crossing

The CANPASS -- Remote Area Border Crossing (RABC) permit, a joint initiative of Citizenship and Immigration Canada and the Canada Customs and Revenue Agency, allows the bearer to cross the border into Canada at certain remote areas without reporting to a port of entry, as long as imported goods are declared.

The permit is valid at the following locations:

- From Pigeon River through to and including Lake Of The Woods
- The Canadian shore of Lake Superior
- Cockburn Island

For more information on how to apply for the CANPASS RABC permit please visit :

[www.cic.gc.ca/english/visit/rabc.html](http://www.cic.gc.ca/english/visit/rabc.html) .

Fees: \$30.00 Canadian per Application

Snowmobilers must re-enter the United States through customs at Crane Lake, therefore the tour must be completed in a counter-clockwise direction.
